

# FITTING INSTRUCTIONS

## MIRROR COVERS

### CONTENTS

- 1 x Front left mirror cover
- 1 x Front right mirror cover
- 2 x Cleaning wipe

**Establish that you have correct contents in the kit and determine the position of each part on vehicle before fitment.**

### FITTING

1. Start by cleaning the surface of the vehicle the mirror cover will be applied to, using the cleaning wipe provided.
2. Make sure the wipe is used in one direction.
3. Please allow 2 minutes for the residue to evaporate.
4. Remove the backing from the tape on the mirror cover.
5. Align the mirror cover to the wing mirror.
6. Once the correct alignment is achieved apply pressure to the tape area to complete fitment.
7. Repeat the above process for the remaining side

**\*Please note\***

Do not wash or allow vehicle to get wet for 24hrs.
